

## DESIGN PROJECT SITE UPDATE

**Last Updated: November 3, 2010**

**Project Name: Ortega Street Bridge Over Mission Creek Replacement Project**

### **Contact Information:**

City Project Engineer: Lisa Arroyo

Phone: (805) 564-5486

E-mail: [LArroyo@SantaBarbaraCA.gov](mailto:LArroyo@SantaBarbaraCA.gov)

### **Project Description:**

This project is designated to replace the structurally deficient Ortega Street Bridge over Mission Creek. The project will include construction of a new, slightly wider bridge structure to improve the hydraulic conveyance of Mission Creek. Other improvements include the relocation of utilities, transition walls, street drainage improvements, and creek planting of native riparian vegetation.

### **Project Progress:**

The design is nearly complete and applications for environmental permits were submitted to the regulatory agencies for review and approval. The project was submitted to Caltrans for construction authorization funding. Pending their approval, construction is estimated to start in Spring 2011.

### **Current Schedule:**

Estimated start of construction: Spring 2011

Duration of construction: 9 months

**Total Project Cost: \$6,900,000**
